// THE STORY BEHIND THE COLLECTION

Some places can be felt even before you understand them.

Brazil was one of them for me: a country where the air seems to move to the rhythm of music, where colours are intense and nature wraps everything in an energy that is hard to explain.

Anekke Río emerged from that first glimpse. A collection inspired by the vitality of this journey, where deep green shades and earthy hues blend with tropical prints full of lush foliage, animals and natural details. Designs that evoke the strength and constant heartbeat of the jungle.

For me, each piece became a small memory of this vibrant place. Because some journeys do not end when you return home: they stay with you, beating in every step along the way.

// LA HISTORIA DETRÁS DE LA COLECCIÓN

Algunos lugares se sienten incluso antes de entenderlos.

Brasil fue uno de ellos para mí: un país donde el aire parece moverse al ritmo de la música, donde los colores son intensos y la naturaleza lo envuelve todo con una energía difícil de explicar.

De esa primera mirada nació Anekke Río. Una colección inspirada en la vitalidad de este viaje, donde los tonos verdes profundos y los colores tierra se mezclan con estampados tropicales llenos de vegetación, animales y detalles naturales. Diseños que evocan la fuerza y el latido constante de la selva.

Cada pieza se convirtió para mí en un pequeño recuerdo de este lugar vibrante. Porque hay viajes que no terminan cuando vuelves a casa: se quedan contigo, latiendo en cada paso del camino.

// THE STORY BEHIND THE COLLECTION

Just as we felt that Brazil had so much to tell us, we needed to find a woman who could especially convey what we felt when we thought about Brazil. And that led us to Tarsila do Amaral, because through her art she was able to change the way we see the world.

Tarsila do Amaral was one of Brazil's most important artists. Through her modernist style—closely linked to surrealism—and her unique way of reinterpreting reality, she transformed the way her country was represented. She was a courageous, creative woman, ahead of her time, capable of finding beauty in her roots and traditions and turning them into something universal. Tarsila do Amaral did not simply paint landscapes. She painted emotions, memories, and dreams.

She transformed the essence of Brazil into colors, shapes, and symbols that invite us to see the world from a different perspective. And this ability to turn emotions into art is precisely what inspired us to create this collection and what connected us with Anekke, because both express their emotions through their creations.

// LA HISTORIA DETRÁS DE LA COLECCIÓN

Al igual que sentimos que Brasil tenía mucho que contarnos, necesitábamos encontrar una mujer que nos transmitiera de manera especial lo que sentíamos al pensar en Brasil. Y llegamos a Tarsíla do Amaral, porque con su forma de crear arte es capaz de cambiar la forma con la que vemos el mundo.

Tarsila do Amaral fue una de las artistas más importantes de Brasil, que transformó la manera de representar su país con su estilo modernista (muy cercano al surrealismo) y su particular manera de reinterpretar el mundo. Fue una mujer valiente, creativa y adelantada a su tiempo, capaz de encontrar belleza en sus raíces, en lo tradicional y transformarla en algo universal. Tarsila do Amaral no pintaba simplemente paisajes. Pintaba emociones, recuerdos y sueños.

Transformaba la esencia de Brasil en colores, formas y símbolos capaces de hacernos mirar el mundo de una manera diferente. Y esa forma de convertir las emociones en arte es precisamente lo que nos inspiró para crear esta colección y lo que nos conectó con Anekke, porque ambas expresan sus emociones a través de sus creaciones.
